

Caring Support & Solutions, LLC

Role Description: Care Coach™ (2026)

Role Description: Care Coach

We are seeking Care Coaches to join our team. Care Coaches are certified life or health coaches with at least two years of experience coaching clients. Care Coaches engage as independent contractors and provide individual or group coaching sessions through Caring Support & Solutions, LLC for a contracted series of sessions. Care Coaches must hold an active certification from an International Coaching Federation (ICF) or National Board for Health and Wellness Coaching (NBHWC) accredited program.

Service Areas

Coaching services are available nationwide via Zoom or Google Meet.

Qualifications

- Associate degree or higher
- Active coaching certification from an ICF or NBHWC accredited program
- Ability to complete and pass a background check

Scope of Services & Contractor Expectations

- Comfortable partnering with a growing company
- Proficient in Mac and/or Windows applications with intermediate computer skills
- Access to reliable internet from a home office or quiet workspace
- Familiar with online platforms and digital communication tools
- Able to work autonomously, establish structure, and support clients in meeting their goals
- Strong attention to detail with the ability to manage tasks and deliverables independently
- Flexible availability to conduct virtual client sessions from a distraction-free environment
- Complete required onboarding documentation and updates as outlined in the Partner Agreement
- Effective written and verbal communication skills
- Represent Caring Support & Solutions with professionalism while maintaining HIPAA privacy and compliance standards
- Guide clients through transformational journeys involving health, chronic conditions, and wellness
- Hold space and partner with clients as a guide toward meaningful, client-driven solutions
- Adhere to the ICF or NBHWC code of ethics and standards
- Collaborate with other healthcare professionals with confidentiality when needed

Engagement Type / Availability / Compensation

- Care Coaches engage on a per diem (PRN) basis as independent contractors
- Must be available at least 4 to 6 hours each week for clients
- Availability is flexible and determined by the contractor in coordination with client engagement terms. Compensation is based on the contractor's experience, level of service, and client volume
- Care Coaches are compensated monthly upon completion of contracted coaching sessions
